Please let your server know of any allergies - many of our dishes contain peanuts and shellfish. All of our sticky rice bags are compostable plastic. An optional 12.5% service charge will be added to your bill which goes directly to the staff. We hope to see you again soon.

In Thailand, food is truly intended to be eaten with others. We recommend four to five dishes for two people across the sections to achieve a balance of flavours and textures - sweet, sour, soft, crunchy, spicy and soothing.

Ask your server if you need any help.
