## SOM SAA NEW YEAR'S EVE

We love a party here at som saa, and New Year's Eve is the best excuse of all. Friends, food and drinks are a well tested formula, but we also love an excuse to look through the recipe books and dig out some rare and unusual dishes too....

We've put together a multi-course menu ranging from betel leaf wraps to nibble with a drink, a cooling central plains noodle dish with fresh Dorset crab, and a rich Indian influenced massaman curry. To warm you up for the night ahead, we've also selected an amazing wine to complement this New Year's celebratory feast. The tasting menu and wine are all included for £60 per person.

From about 10pm we will turn the music up and will have friends round for drinks in the bar. Whether you have a ticket for dinner or not, please feel free to join us to celebrate the New year with us too....

### TICKETS + PRICE

NYE tickets are available at £60 per person. This includes all the food and a glass of Peter Lauer Sekt to start.

To search availability, just go to the Bookings section of our website and enter the relevant date and party size...

We will have tables available from 6-1015pm for....

- Individual tables for two. We're afraid the tables of four are preset so two tickets of two cannot be joined to make a four.
- Whole booths, which seat groups of four or six. We may be able to squeeze one or two more on the big ones if you ring us.

### FAQ...

Will I have the table until midnight?

- Earlier tickets will have plenty of time to enjoy a relaxed and convivial dinner but will not have the table until midnight. We are only a 10 minute walk from Tower Bridge and the Thames though which is a lovely spot to celebrate the New Year from.
- Later tables, from 8:15 onward, will be able to celebrate the stroke of midnight with us at the table.

We're a group of 3 or 5, can we reserve a booth?

- We're afraid we have kept the price as keen as we can and the tickets are set up for groups of 4 or 6. You are welcome to buy the ticket and come with one guest less but but we can't change the number of guests designated on the ticket.

We're a group of 7/8/9/10+ can we book a whole table?

- We are able to add an additional two guests to the booths for six but it is a squeeze and is not ideal unless you're on a third date. Give us a ring and we'll see if we can find any other options.

My friend is vegan / vegetarian. What will they be able to eat?

- We will have several vegan/vegetarian options available that will be similar to the NYE feast menu. We do require advanced notice however and cannot guarantee we will be able to cater to all guests without notice.

My friend is allergic to coriander/peanuts/garlic/shellfish/gluten. What will they be able to eat?

- Some of our nearest and dearest have allergies so we understand their concern. Generally, thai food is excellent for gluten free/coeliac diners, tricky for those allergic to shellfish and easy to modify for those with peanut allergies. For a one-off sharing menu however, modifying dishes can be difficult and we cannot guarantee that we will be able to do so. Please give us as much advanced warning as possible and we will do all we can.
