

welcome to som saa

the following drinks are all chosen to match Thai food in one way or another. our cocktail are all made to order, and the list draws on many of the exciting Thai ingredients we have in the kitchen.

some of our white wines are off-dry, a number are very aromatic. our selection of the reds leans towards riper and less tannic bottles. many of our wines are also vegan and organic.

please just ask if we can help guide you, or if you'd like to hear about some of the special bottles we often have hidden out the back.
