

welcome to som saa

the following drinks are all chosen
to match thai food in one way or another

our cocktails are all made to order, and the list draws on many
of the exciting thai ingredients we have in the kitchen

our wine list consists of mainly dry wines, some of our white wines
are off-dry and a number are very aromatic

we have a special section dedicated to rieslings
that we believe compliment thai cuisine beautifully

our selection of the reds leans towards riper and less tannic bottles

many of our wines are also vegan and organic

please just ask if we can help guide you, or if you would like to hear
about some of the special bottles we often have hidden out the back
