PHO!

CAY TRE'S SPECIALTY

Pho was originally a simple beef and rice noodle soup that originated in northern Vietnam nearly a hundred years ago. Some speculate that it evolved from the 'pot au feu' introduced to Vietnam by French colonists. After the country was partitioned, Pho in South Vietnam became a more elaborate dish, often served with many varieties of beef, and a side plate of herbs.

HAVE IT YOUR WAY!

Each serving of Pho comes with a side plate of **Saw-tooth Coriander, Thai Basil, Chilli, Beansprouts**, and some **Lemon**. Add the herbs and lemon to the bowl of Pho, to suit your taste. On your table there are two bottles: **Hot Chilli sauce** and **Hoisin Sauce**. In North Vietnam

they only use Hot Chilli sauce, but in the South people add Hoisin as well. Our Pho combines the deep sweetness from the marrow bone of the North version, with the fragrant Star Anise, Cardamom and Cinnamon of the South.

BEEF

The original Vietnamese noodle soup, with 24 hour beef marrow bone stock, served with many varieties of beef cuts, a plate of herbs for garnish, and a homemade spicy sauce to dip the meat in.
